Sisters and Brothers,

WGP Bill and I have been asked questions concerning our 2021 Summer Calendars. Planning our summer travels during this time period has been challenging, and we have decided it makes more sense, due to the compressed time frame caused by the COVID Pandemic, to acknowledge that there are not enough days remaining to schedule all activities and events (as expected in a traditional year).

Therefore, as you have planned your chapter, district and regional events, please let us know the date, time and location. We shall make every effort to attend as we can.

Please enjoy your summer and we look forward to seeing everyone at our full Grand Session in Sharonville.

As we move Forward in Faith,

Carol Gramm Wise
