Sisters and Brothers,

Plans for our Grand Chapter Business session for the 148th Session "The American Dream" are well underway. The Worthy Grand Matron and Worthy Grand Patron are working very hard to ensure that this session is truly a legacy for their year.

There are a few things to keep in mind as you prepare to attend this year.

First, the young men of the Anderson DeMolay Chapter (and advisors) have agreed to act as our "Bellmen" as you arrive and when prepared to depart. They are an enthusiastic group of young men. Please remember to tip them generously as they are working to raise funds to offset the cost of attending their own DeMolay Conclave. Also, ladies as we know that packing for Grand Chapter may mean a 'few extra dresses' and traveling light is almost impossible. Therefore, with a limited number of luggage carts available your patience will make these transitions go more quickly and more smoothly. The service these young men provide has proven to be a valuable asset to our members.

Secondly, there is more walking than in years past and having help can be a godsend. Jeff Shelley of Indy Scooter Rental (317) 855-3158 will have scooters available for the cost of 200.00 per scooter. You may reserve a scooter by placing a 25.00 (non-refundable fee with the balance to be paid in full by June 1st.

In the event you should become ill or not able to attend the session, ***if you cancel before June 6th-a full refund will be provided.*** When you check-in let the clerk know that you have requested a scooter and they should be able to get your scooter from a nearby room.

Lastly, once you have made your reservation and have special needs, please let me know as soon as possible in order to accommodate based upon availability.

Looking forward to the renewal of fellowship with our Star family.

Fraternally,

Linda Buchanan,
