Dear Sisters and Brothers:

At the request of of Sister Susan MacArthur, Worthy Grand Matron, I am sending the following information to you:

Grand Chapter Sessions planned for June 4-6, 2021, have been cancelled due to COVID-19. The decision was a difficult one but based on the vaccination schedules and the uncertainty of how many people will be allowed to gather it was the only one to make. Sister Susan, WGM has been in contact with our nearby provinces and states, and they have made the same decision.

On Saturday June 5, 2021 there will be a form of a meeting in the morning and a form of Installation of the new Grand Officers in the afternoon. Hopefully all or some of these events will be able to be accessed online by our membership. More details will be available closer to the time when it will be known what restrictions due to COVID are in place.

Please ensure that as soon as possible and by the latest March 31, 2021, you send in your Nomination forms for:

Grand Secretary
Associate Grand Conductress
Grand Sentinel
Elected Members of the Board of General Purposes (at least three)

And your Notices of Motion by March 6, 2021.

This is very disappointing for all our members here in Alberta. We can only hope that with vaccinations we will all be safe to be together again.

Sincerely and fraternally,

Mary Lynn Smith
Grand Secretary
