Dear Sisters and Brothers:

It had been Bill's and my hope to join with you to tour our Nation's Capital this summer. Unfortunately, each day on the news we see and hear of events in Washington D.C. which do not make for a very inviting scenario for our visit.

Because of this, Bill and I have decided to cancel the Washington D.C. trip. Our plan is to replace it with an Ohio trip which can acquaint us even more with the beauty of our state. When we travel for Eastern Star, there are always times when we sail past signs for opportunities to see and experience interesting sights and events. We would like to take this year to explore those opportunities.

Best Wishes to All as We Move,
Forward in Faith,

Carol Gramm Wise
