### Installation of Elected Officers

Due to the outbreak of Covid 19 in our country during the past year, some Chapters have been unable, through no fault of their own, to install officers in a timely manner. The majority of our subordinate chapters have officers who have not yet been installed within the prescribed timeframe (prior to December 1) set forth by the Bylaws of the Grand Chapter of Ohio, OES: **ARTICLE I SEC 7, 8, and 9**. I, hereby, grant permission to install those elected officers, without penalty or need of a special dispensation. This directive will be in effect until May 31, 2021

Forward in Faith,

Carol Gramm Wise  
Worthy Grand Matron
