Make new friends, but keep the old.
One is silver, the other is gold.

A circle is round, it has no end.
That's how long, I will be your friend.

A fire burns bright, it warms the heart.
We've been friends from the very start.

You have one hand, I have the other
.Put them together, we have each other

Silver is precious, gold is too.
I am precious, so are you.

You help me and I'll help you.
And together we will see it through.

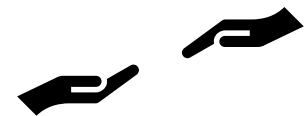

The sky is blue, the Earth is green.
I can help to keep it clean.

Across the land, Across the sea.
Friends forever we will always be.
